Welcome to LBSpractitionertraining.com

This site offers professional development training for practitioners who work with adult literacy learners in the Literacy and Basic Skills Program of Ontario. While the training is specific to LBS, and the mentoring services are available only to LBS practitioners, the courses are free and available to anyone who wishes to use them.

Training

- six courses in adult literacy education
- increase your professional knowledge
- develop new skills
- discover specific strategies
- learn more about working with learning disabilities
- access free resources
- [More about the training](#)

Self-Assessment

- complete a self-assessment activity online
- get immediate feedback in four areas of your work
- see a plan of action for professional development training based on your self-assessment results
- [More about self-assessment](#)

Mentorship

- connect with mentors in an easy-to-use, secure, online environment
- work with a personal mentor who:
 - is trained in mentorship
 - has demonstrated success in adult literacy education
 - is readily available
- [More about mentorship](#)
