T2 "Skills to Go" is Still Going- An Update (LBS)

Christine Pinsent-Johnson and Julie Newlands, OCDSB
Almost five years have passed since Skills to Go began. Our workshop will reflect upon our growth, our challenges, and our changing directions.

T3 Parlez-moi d'argent! Les registres et le financement de l'éducation permanente

Michel Brunet, CSDCEO
Cet atelier pratique fournira une description des différents registres, la façon de déterminer l'effectif quotidien moyen (EQM) et les montants générés ainsi que la conversion d'une subvention par élève en subvention par leçon.

T4 Building Your Corporate Image

Eileen De Courcy, Simcoe County DSB
This workshop will focus on strategies that your Con Ed department can use to build a "corporate" training image. Eileen will use the story of SCDSB's CTD to show how any Con Ed department can appeal to the corporate training market.

T5 Developing a model for evaluating learner progress in non-credit ESL programs

Grainne O'Donnell, TDSB
We will share our work to date in setting standards for CLB-based outcome evaluation methods that involve the learner.

T6 Practical Strategies for Improving Literacy (Gr. 7-12)

Carol Ricker-Wilson, Toronto DSB
Workshop participants will be introduced to a cluster of strategies for improving reading comprehension in all subjects. Participants will also become familiar with support documents for improving literacy in five minutes a day.

T7 Motivating the Unmotivated

Larry Sirriani, DSB of Niagara
An energetic workshop that demonstrates how applying the principles of fairness, respect, and trust in your staff will ensure positive outcomes and enhance your leadership credibility.

T8 New Program Ideas in IL and IE!

Constantine Ioannou, OCDSB, Maria Makrakis, OCCDSB, and Olga Ferro, York CDSB
This workshop will offer an overview of various projects initiated as well as updates on various program ideas previously presented.

T9 Foundations for Success- At Risk PLAR Program

Maryann Hefkey, Simcoe County DSB
The "Foundations Program" is designed for at-risk 18- 20 year-old students who lack grade 9 and 10 credits. This remedial non-credit program prepares students for PLAR tests. Intake, assessment, curriculum, staffing, and outcome expectations will be presented.

Break – Refreshments available

3:30 – 4:30

Workshops

T10 The Art of the Deal- Negotiating the Best Software Licensing Agreements

Arlene Ferguson, Owner, ROAR Computers
Arlene will discuss the educational software licensing market and how to get the best deal to suit your needs. She will provide information that even your school board may not know and show you how to save your organization thousands of dollars.

T11 Learning 100: An Integrated Reading Program for ABE, LBS, and At Risk Programs

Jim Barlow, Harcourt Canada and Mary Ann Myers, SCDSB
This workshop will demonstrate how the Learning 100 programme integrates the teaching of vocabulary, reading comprehension, writing, and listening skills to improve language mastery.

T12 Introduction to Project Development

Carol Maingot, DSB of Niagara
An introduction to the processes involved in project development for revenue generation will be given. Examples of projects such as PSW, Construction Labourer, and Employment Transition for Developmentally Delayed will be used to illustrate the process.

T13 Incorporation: Benefits and Pitfalls

A panel of representatives from corporations established by school boards will share their experiences. Panelists will outline the benefits and challenges that the pitfalls present.
